

LE JARDIN DES ALPES

SWISS NATURAL COSMETICS

Discover a new amenities line

Le Jardin des Alpes has now developed a high-end amenities line combining the purity of mountain plants with invigorating glacier water to capture the very essence of the Swiss Alps. Its timeless design is elegant, contemporary yet discreet... perfect for even the most discerning traveller.

Prestigious hotels including both The Mont Cervin Palace and The

Riffelalp Resort in Zermatt, as well as The Lausanne Palace have already chosen to offer their guests these amenities.

Le Jardin des Alpes is a high quality line now offering high-end amenities at a very affordable price.

Please contact us for a personalised offer.
